FINTECH AND FINANCIAL LITERACY

**Sopnendu Mohanty**  
CHIEF FINTECH OFFICER,  
MONETARY AUTHORITY OF SINGAPORE (MAS)

Sopnendu Mohanty is the Chief Fintech Officer at the Monetary Authority of Singapore (MAS). He joined MAS in August 2015 and is responsible for creating development strategies, public infrastructure and regulatory policies around technology innovation. Since 2015, Singapore has become one of the top global fintech hubs covering a wide range of financial asset classes including adjacent technology innovations in areas such as insurance, digital assets, blockchain, artificial intelligence, reg-tech and green-finance.

Before joining MAS, Sopnendu spent more than 20 years in various leadership roles in technology, finance and innovation with most of his career with Citigroup. Sopnendu is a member of multiple advisory committees of multilateral global agencies, associations, universities, and governments. He is an avid speaker, global thought leader in FinTech, and advocate of accelerated transformation to a digital economy for solving financial inclusion and sustainability challenges.
